Physical Therapy Licenses:

Texas #1-5702-4 1989-Present

National Athletic Trainer's Association

Certification #119602467 1996-Present

Board Certification in Sports Physical Therapy

Certification #509 1993-Present

Employment History:

1985-87, Chief Physical Therapy, Robins AF Hospital, Warner Robins, GA

Duties: Managed out-patient PT clinic, 3 staff, 8-12 patients per day, developed first Back School for Air Force's largest Air Logistics Center.

1987-88, Staff Physical Therapist, U.S. Air Force Academy, Colorado Springs, CO

Duties: Inpatient/outpatient PT, developed sports medicine protocols for Air Force Academy Cadets. Exercise Evaluation Team (EET) chief.

1988-89, Staff Physical Therapist, Rehab Services of Lake Charles, Lake Charles, LA

Duties: Supervised 4 staff, led sports medicine team coverage of 10 area high schools, developed ACL rehab protocols through research studies.

1988-91, Staff Physical Therapist, 2nd Strategic Hospital, Barksdale AFB, LA (USAF Reserves)

Duties: Supervised 3 staff, developed in-service and wing injury prevention programs, deployed to Carswell AFB, TX for duration of Operation Desert Storm, as Assistant Chief of Physical Therapy.

1989-91, Director, Industrial & Sports Medicine Clinic, Nacogdoches, TX

Duties: Managed private clinic with 4 staff, developed/marketed sports medicine outreach program to 5 area high schools, increased clinic revenues by 20% in one year.

1991-94, Physical Therapy Team Chief, Wilford Hall USAF Medical Center, San Antonio, TX

Duties: Led team of 9 staff, outpatient/inpatient PT, 80 patients per day. Spearheaded clinic re-organization, initiated health and wellness/injury prevention program for Air Force Special Forces Pararescueman trainees.

1994-96, Graduate Assistant (Athletic Training), University of Kentucky, Lexington, KY (AFIT)

Duties: Taught undergraduate athletic training classes, provided on-field sports medicine coverage for 9 different NCAA Division I sports. Graduate assistant in UK Medical School anatomy lab. Conducted and published original research on ankle sprain injuries.

1996-97, Coordinator of Clinical Education (Physical Therapy), Wilford Hall USAF Medical Center, San Antonio, TX

Duties: Coordinated/managed clinical education for 8 PT students annually from 4 PT programs. Developed and taught Air Force wide advanced continuing education programs for 50 PTs/year.

1997-2001, Assistant Professor/Academic Coordinator for Clinical Educations, U.S. Army-Baylor Graduate P.T. Program San Antonio, TX

Duties: Taught 105 contact hour/class entry level physical therapy. Coordinated/administered clinical education program for 44 students annually at over 90 nation-wide locations. Developed training programs for physical therapy clinical instructors with nation-wide impact. Developed future doctoral level clinical education curriculum. Assisted with CAPTE accreditation process--program ranked among the top 10 in the nation.

2001-02, Physical Therapy Element Chief, 86th Medical Operations Squadron, Ramstein, Germany

Duties: Led 5 member physical therapy team, most productive PT element in U.S. Armed Forces Europe (USAFE) (10K visits/yr). Deputy Primary Care Flight Commander over 50 persons/3 clinics; USAFE PT Command Consultant to 7 Air Force Clinics.

2002-04, Specialty Flight Commander, 435th Medical Operations Squadron, Ramstein, Germany

Duties: Managed PT, Women's Health, and Pediatric clinics (9 officers, 15 enlisted, 3 civilians). Led Wing WMD medical response plans. Coordinated wing WMD exercises w/host nation. Spearheaded wing level injury prevention program during implementation of new Air Force fitness program.

2004-05, Chief, Physical Therapy Service, National Defense University (NDU), Washington, D.C.

Duties: Oversaw wellness, rehab and sports medicine services for NDU's 3,500 professionals. Provided executive travel medicine services to 51 senior foreign military officers. Saved over 2,500 academic/staff man hours through provision of on-site medical care. Department earned NDU President's Award of Merit.

2005-06, Deputy Director, Health and Fitness, National Defense University (NDU), Washington, D.C.

Duties: Directed operations for DoD's premier executive fitness/wellness program. Managed care of 360+ senior foreign officers/families, and 600 faculty/staff/students. Coordinated on-site medical coverage of 33 intramural/18 varsity sports. Evaluated health of 160 flag officers annually for CAPSTONE program. Directed travel medicine, 1600 man trips/70 countries.

2007-April 2010, Commander, 2nd Medical Operations Squadron Commander, Barksdale, LA.

Duties: Management, oversight, and leadership for 13 different disciplined outpatient clinics/125 personnel; annual budget of \$1.3 million, servicing a patient population of 17,000. Prepared staff for Accreditation Association for Ambulatory Health Care visit; Oversaw Medical Personal Reliability Program to ensure nuclear surety for 1,300 military members.

May 2010- Present, Clinical Director, Texas Physical Therapy Specialist, Tyler, TX

Duties: Manager and lead therapist for 8,000 sq ft outpatient orthopedic and sports medicine clinic. Supervisor of 6 personnel, responsible for all clinic operations, with annual gross revenue of \$1.1 million.
