

# CONSIDERING RESIDENCY?

## We have options for you!

Are you a PT established in your clinical practice and community looking for Residency training?

Consider **EIM's Flexible Residency** model that allows you to live, work and accomplish residency training where you are!

Are you a new grad or PT searching for a job that includes full-time Residency training?

Consider **EIM's Residency** model that matches you with a residency opportunity at one of our many preferred locations.

EIM Flexible Residency	You choose:	EIM Residency
Live, work, mentor where you choose	<b>Location &amp; Employer</b>	You choose one of EIM's preferred clinical residency sites*
Not required	<b>Relocation</b>	Possible depending on site chosen*
Your choice of mentor & location; both must meet EIM criteria	<b>Mentoring</b>	Onsite mentoring with EIM pre-approved mentor
<b>18-24 months</b> , self-scheduled "learning time"	<b>Duration</b>	<b>12-14 months</b> , accelerated curriculum ~4 hrs/week dedicated "learning time"
You negotiate salary and possible tuition subsidies with employer	<b>Salary &amp; Tuition</b>	Competitive resident salary with fully subsidized tuition
Continued employment and advancement with your current employer	<b>Options After Residency</b>	Potential for full-time employment or move on to new opportunities

### Both Residency models offer:

<b>Travel</b>	4 Weekend Intensive Labs during the program
<b>Board Specialty Certification</b>	Both prepare you to sit for your Board Specialty Certification that has shown a 90% pass rate
<b>Additional Postprofessional Education</b>	Ability to add a Postprofessional DPT or Certification (Manual Physical Therapy or Sports Physical Therapy) to your plan of study with just a few courses; both can prepare you for EIM's Orthopaedic Manual Physical Therapy Fellowship program
<b>Loan Deferment</b>	Enjoy the benefits of earned income while pursuing post-professional education. Many loan holders may allow for loan deferment while pursuing a credentialed residency. EIM will provide all documentation to support your efforts in seeking loan deferment. the benefits of earned income while pursuing post-professional education
